Dear Mr. Steele:

As a follow-up to our discussions regarding the capital program for 2007-2008, I am pleased to advise that the following projects have or will be tendered for the constituency of Halifax Fairview. It is our intent to call and complete the following work assuming that tender bids come in at project estimates:

Northwest Arm Drive and Walter Havill Drive / Albert Walker Drive,  
traffic signal upgrade to allow for protected left turn phase and remove  
roadside brush;

Bridge Repair: Fairview Overpass.

I trust that this correspondence addresses some of the transportation needs you identified for your constituency.

Sincerely,

Angus Mac Isaac  
Minister
